São Paulo City

With over 10 million inhabitants, São Paulo is the world's third largest city and the largest in South America.

Brazil's most modern, cosmopolitan city attraction lies in its people and its vibrant cultures. The array of nationalities living in Sao Paulo has made it a legendary city among gourmands: Japanese, Italian nuova cucina, Brazilian, Chinese, Jewish, and Arab restaurants are all familiar parts of the city's landscape. Its museums are among the finest in South America, its surrounding coastline is graced with many lovely beaches, and its entertainment and nightlife have for years attracted some of the best performers in the world.
